## Cares Act Grant – 30 day Fund Report

### Mandalyn Academy CARES Act Grant Fund Notice

The Department of Education was awarded an emergency grant through the Coronavirus Aid, Relief, and Economic Security (CARES) Act in order to assist students who have been attending schools of higher education during COVID-19 and who were affected by the emergency school closure and social distancing requirements starting in March 2020.

The CARES Act Higher Education Grant has been awarded to Mandalyn Academy. School officials have created, based on guidelines received from the Department of Education, policies and procedures that the school will follow in order to disburse the emergency funds to eligible students. These are grant funds that do NOT have to be repaid. These are NOT loan funds. You do NOT have to be eligible for a Pell Grant in order to receive funds from the CARES Act Grant. The school CANNOT put the funds toward a student's current balance due, but is required to disburse the funds to the student even if the student has an outstanding balance. You do NOT have to be using Financial Aid in order to be eligible for these funds. You will NOT be asked to report back to the school on how the funds were used.

Before the funds will be disbursed, Mandalyn Academy requires the following from the student:

- A 2019/20 FAFSA, with required corrections to verify eligibility under Section 484 of the HEA. After June 30 when the 2019/20 FAFSA is no longer available, a 2020/21 FAFSA may be accepted. Eligibility under this requirement includes but is not limited to high school/GED completion and U.S. citizen/eligible non-citizenship.
- The student must be making Satisfactory Academic Progress (SAP) unless this requirement is not met because of the lack of progress made during Distance Education due to COVID-19 (03/23/2020 – 05/25/2020). The student will have 45 days to bring up their grades and attendance to meet this requirement.
- Eligible attendance status will be required. Attendance will be checked for LOA, withdrawal, and graduation.
- Mandalyn Academy must have received the CARES Act Certification document, which is the signed certification from the student stating that they have been affected by the disruption of campus operations due to COVID-19 and that they will only use the funds for “expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care, and/or child-care expenses.”

The school will allocate CARES Act Emergency Relief funds to eligible students equally. The school will take the total amount of the grant and divide by the estimated number of eligible students.

We are planning to begin issuing funds by June 10, 2020. Students will receive funds by check. To assist the school in processing the checks, please complete and return the Certification form included with this notice as soon as possible.

If you have any questions or concerns about any part of this notice, please reach out to Diane Clements (email: [finance@mandalynacademy.com](mailto:finance@mandalynacademy.com), text or call her (801) 372-9117. She can help answer any questions you may have about this grant, allowable expenses, filling out the FAFSA, etc. If you have not completed a 2019/20 FAFSA, you may still do so, but please first contact Diane Clements in order to receive further instructions. After June 30, 2020, the 2020/21 FAFSA may be accepted, if needed.

We hope that these funds will help to alleviate some of the burdens which have been unexpectedly placed upon you.

Sincerely,

Diane & Mandalyn
